

## **Drake Community Library**

### **Registered Sex Offender Policy**

The purpose of this policy is to ensure that the Library is in compliance with Iowa Code Chapter 692A that excludes registered sex offenders convicted of offenses against minors from public libraries. Sex offenders convicted of a sex offense against a minor shall not be present upon the real property of a public library and they shall not loiter within three hundred feet of the real property boundary of a public library. The Code provides an exception to this prohibition if the library administrator provides written permission.

The Library Director acts as "Library administrator" for purposes of Iowa Chapter 692A. The Library Director will not give written permission for registered sex offenders (defined as a person who is required to be registered in the Iowa Sex Offender Registry) convicted of sex offenses against minors to be in the library. This decision can be appealed to the Library Board of Trustees. The issuance of a library card at any time is NOT permission to enter the library.

Registered sex offenders convicted of sex offenses against minors may be eligible for some library services. They may receive information via telephone or online. They may register for a card directly with the Director, or designee, via telephone or online, and make arrangements for a person of their choosing to select, check out, and return materials using that card. They may use that card to access the Library's online materials or databases.

State law does provide an exemption for the purpose of voting. A sex offender will be allowed on library property solely for the period of time reasonably necessary to exercise their right to vote in a public location if the Drake Community Public Library is their designated polling location.

Violations of this policy will be immediately reported to law enforcement, and violators will lose all library privileges. Violators will be subject to prosecution for violation of the Iowa Code.
